Let me be
Let me be
Baby let me be the only one
Baby let me be the only one
Let me be the one
You give your love to (the only one)
You give your love to (the only one)

I hear your records on the radio
I see you talking on the late, late show
Every girl wants to be your friend
Don't you know you're always on my mind?
How I missed you since you hit the big time...

You hurt me
I just can't pretend

We use to be together
Making dreams
We can play (ahh)
You left that world behind
Now I'm asking you... wont you?

CHORUS

Let me be the one (let me be)
You give your love to (won't you be baby)
Let me be the one (let me be)
You give your love to (the one that gives you love and
oh oh oh)

I see the sadness in your eyes
Don't you get lonely for me, sometimes?
Lonely for... the love that we had
I'll be waiting when the day he comes
Need somebody
Won't you let me the one?
Come to me
Put yourself in my hands
Ohhh

We use to be together
Making dreams

We can play (ahh)
You left that world behind
Now I'm asking you... wont you?

CHORUS

We use to be together
Making dreams
We can play (ahh)
You left that world behind
Now I'm asking you... wont you?

CHORUS x2

Let me be
Let me be
Baby let me be the only one
Let me be the one
Let me be the one
