Keep your fingers crossed and knock on wood
When things are going this good
Don't let the luck get lost
All i'll take
It's a special thing
It's a good game
Once you find out how to play
Things can finally go your way

Chorus

Winning
They're saying our sights
It's just beginning to turn out right
We're winning
Look what's happening
We're winning

(We're winning)
(We're winning)

I've got a rabbits foot
as a lucky charm
To keep away all harm
(Watch out for this and that)
Try not to stand on the pavement cracks
And keep all mirrors intact

It's a good game
Once you find out how to play
Things can finally go your way

We're winning
Every day the lucks beginning
To go our way
We're winning
Anyone can see we're winning

Ooh

I'm not superstitious

in all these things i do
Cause kinda situation this is
It's too good to be true

(We're winning)
(We're winning)

It's a good game
Once you find out how to play
Things can finally go your way

Repeat chorus x 3 (to fade)
