I thought I'd be alright without you  
I thought I was over you  
Now I'm crying writing silly stupid lovesongs  
'Cause it's all (Cause it's all)  
That I (That I)  
Can do  
'Cause it's all (cause it's all)  
That I (that I)  
Can do

Now I'm feeling low  
Back at zero  
You left me all alone  
Back at zero  
I've got a ways to go  
Back at zero  
Now I'm feeling low  
Back at zero

I used to buy you flowers  
I used to buy you wine  
Now I'm crying writing silly stupid lovesongs  
As I try (as I try)  
To buy (to buy)  
Back time  
As I try (as I try)  
To buy (to buy)  
Back time

Now I'm feeling low  
Back at zero  
You left me all alone  
Back at zero  
I've got a ways to go  
Back at zero  
Now I'm feeling low  
Back at zero

Back at zero  
(Back at zero)  
Back at zero  
(Back at)

Zero

Back at zero  
(Back at zero)  
Back at zero  
(Back at)  
Zero

Back at zero  
(Back at zero)  
Back at zero  
(Back at)  
Zero

Back at zero  
(Back at zero)  
Back at zero  
Back, I'm back

Back at zero  
You left me all alone  
Back at zero  
I've got a ways to go  
Back at zero  
Now I'm feeling low  
Back at zero
