I said you'd always be mine  
You said that that was just fine  
But now you broke my stuff  
And you're out with all your friends  
You wont answer your phone  
My nightmare never ends

Why is it always my fault  
Why is it always my fault  
Why is it always my damn fault

(Because)

I wear my heart on my sleeve  
I think I'm being honest, but you say I'm naive  
You break my all apart, and then you've gotta leave  
I don't know why I don't wear my heart on my

I tried to be there for you  
You always left me all alone  
Well if you think I'm gonna sit here bent over you  
Just like the song says: Baby, I'm already gone

Why is it always my fault  
Why is it always my fault  
Why is it always my damn fault

(Because)

I wear my heart on my sleeve  
I think I'm being honest, but you say I'm naive  
You break my all apart, and then you've gotta leave  
I don't know why I don't wear my heart on my

Why is it always my fault  
Why is it always my fault  
Why is it always my fault  
Why is it always my fault  
Why is it always my fault  
Why is it always my fault  
Why is it always my damn fault

(Because)

I wear my heart on my sleeve

I think I'm being honest, but you say I'm naive  
You break my all apart, and then you've gotta leave  
I don't know why I don't wear my heart on my
