I
Think I killed
I killed someone
Someone is dead

(1, 2, 1 2 3 4!)

I
Think I killed
I killed someone
Someone is dead

Shut the hell up, there's nothing you can do
I hope you take your own life, so I won't have to
Pain comes quick now that I'm feeling sick
No, there's nothing I can do

Living with you was always just no use
I'm like a beat dog after all your abuse
Starting up with you proved to be the end of me
End of me

(That's why I'm saying)

I
Think I killed
I killed someone
Someone is dead

Can't sleep, can't eat, can't do a damn thing
You don't even care because you just sold my ring
You don't understand what I'm trying to say
You just turn and walk away

Got this ringing in my ear, fall up out into tears
You tore my heart out 'cause that's what you're all
about
I knew I knew better, but I just couldn't get you
So I just left me for dead

I
Think I killed
I killed someone

Someone is dead

I knew I knew better, but I just couldn't get you
I knew I knew better, but I just couldn't get you
I knew I knew better, but I just couldn't get you
Just left me for dead
I knew I knew better, but I just couldn't get you
I knew I knew better, but I just couldn't get you
I knew I knew better, but I just couldn't get you
So I just left me for dead

I
Think I killed
I killed someone
Someone is dead

I
Think I killed
I killed someone
Someone is me
