I woke up this morning
All my punk rock clothes were gone
Blink 182, Black Flag
Thrown out on the lawn
My dad took my CD's
And he scratched them with all of his tools
Simple Plan, Bowling for soup
And Newfound Glory too

Why does it always have to be this way
It's not like I told them that I was gay

I'm in a punkrock nightmare
I think I'm cracking up
Punkrock nightmare
Why does this have to suck
Punkrock nightmare
I think I've had enough
Somebody wake me up

My mom ripped
All my posters off the wall
Sex Pistols, Ramones
They all had to fall
My grandpa took
All my wristbands just to be mean
All my stuff from hot topic
And my picture of Avril Lavigne

Why does it always have to be this way
It's not like I told them that I would run away

I'm in a punkrock nightmare
I think I'm cracking up
Punkrock nightmare
Why does this have to suck
Punkrock nightmare
I think I've had enough
Somebody wake me up

Somebody wake me up
Somebody wake me up

Somebody wake me up
Somebody wake me up

I'm in a punkrock nightmare
I think I'm cracking up
Punkrock nightmare
Why does this have to suck
Punkrock nightmare
I think I've had enough
Somebody wake me up
