Its strange to me, given everything  
But you don't know what it means  
And I hate to be the one to disagree  
But you dont know what your missin cause I

See inside you, wanna be the life of you  
Cause you gave that much to me  
Wherever you want me, whenever you need me  
I'll be waitin for the time to go  
Whatever your askin, theres no need to ask it  
I'll be on my way to get it done

So I've laid it on the line  
Do you need a little time  
I guess i could understand that  
Its alot to take in you wouldnt know where to begin  
But you won't ever need some of that

Cause I see inside you, wanna be the life of you  
Cause you gave that much to me  
Wherever you want me, whenever you need me  
I'll be waitin for the time to go  
Whatever your askin, theres no need to ask it  
I'll be on my way to get it done

Cause you know  
I want you to know  
Cause you know  
I want you to know  
That I could give you more then the world  
And a little bit more

Wherever you want me, whenever you need me  
Whatever your askin, theres no need to ask it  
I'll be on my way to get it done  
Wherever you want me, whenever you need me  
I'll be waitin for the time to go  
Whatever your askin, therse no need to ask it  
I'll be on my way to get it done  
I'll be on my way to get it done  
I'll be on my way to get it done

done  
I'll be on my way
