This belly button dangle  
Will probably be just one of those things  
I won't be showing off too often at 65  
This butterfly tattoo  
Might be something I tell my kids not to do  
Spring break shouldn't last the rest of your life

There were things I should not have done  
But then again, well I sure had fun

Being free, being wild, being bulletproof  
Back then we were rebels without a clue  
Nothing in the world that we wouldn't do  
Woah oh oh oh oh  
Didn't give a damn what people say  
We were doing it, doing it our way  
I wish that we could always stay  
19 and crazy

I fall in love with those guys  
That keep my dad awake at night  
Running his knife across a red stone  
Maybe he hates their long hair  
The tattoos or the chains that they all wear  
Mostly he hates your black camera

We were young, so in love  
And we still haven't grown up

Being free, being wild, being bulletproof  
Back then we were rebels without a clue  
Nothing in the world that we wouldn't do  
Woah oh oh oh oh  
Didn't give a damn what people say  
We were doing it, doing it our way  
I wish we could always stay  
19 and crazy

The only things that I regret are things that we didn't  
do  
Those crazy days that I have left

Have led me here to you

Being free, being wild, being bulletproof  
Right now we're rebels without a clue  
Nothing in the world that we can't do  
Woah oh oh oh oh  
Don't give a damn what people say  
Cause we're doing it, doing it our way  
I know that we will always stay  
19 and crazy

Promise me we will always stay  
19 and crazy
