When I listen to my stereo,
all I hear is the funky flow,
it really makes me lose control,
bomfunk mc's in stereo, in stereo, in stereo,
all I hear is the funky flow,
It really makes me lose control,
Bomfunk mc's in stereo, (chorus)

Can not hide it,
Can't deny it,
It's so obvious all tryin
Like a pilot you get a might,
Boom box blastin like a siren,
Roar, yo mighty lion,
Roar, when pumpin the iron,
Roar, when nealy strong,
Roar, turn it up, comon,

chorus

Star supreme o with the o-flow,
Gotcha earnin, turin breakfast,
You don't understand but ya still wanna check this,
One to two to two to one deck this,
Passin the funk, kickin the funk, eatin the funk, making
me drunk,
Lovin the funk, born in the funk,
Yeeaa so wassup comon,

chorus
