When I listen to my stereo
All I hear is a funky flow
It really makes me loose control
Bomfunk MC's in stereo
In stereo, in stereo

All I hear is a funky flow
It really makes me loose control
Bomfunk MC's in stereo

But how right?
But how right?
But how right?

Cannot hide it, can't deny it
It's so obvious you hope to hide it
Like a pilot you get a mic
Boom box blasting like a siren

Raw, you're a mighty lion
Raw, when pumping the iron
Raw, one million strong
Raw, turn it up, come on

But how right?
But how right?
But how right?
But how right?
But how right?

When I listen to my stereo
All I hear is a funky flow
It really makes me loose control
Bomfunk MC's in stereo
In stereo, in stereo

All I hear is a funky flow
It really makes me loose control
Bomfunk MC's in stereo

But how right?
But how right?

But how right?

Star supremo, with the ill flow
Got you yearning, turning reckless
You don't understand but you still wanna check this
One to two, to two to one techniques

Bustin' the funk
Freakin' the funk
Eatin' the funk
Makin' it funk

Loving the funk
Fallin' to funk
Yeah
So what's up punk?

But how right?
But how right?
But how right?
But how right?
But how right?

When I listen to my stereo
All I hear is a funky flow
It really makes me loose control
Bomfunk MC's in stereo
In stereo, in stereo

All I hear is a funky flow
It really makes me loose control
Bomfunk MC's in stereo

But how right?
But how right?
But how right?
But how right?
