Rockin' with the best  
So I pass the test  
Rockin' with the best

Rock, rock, rockin' with the best  
Rockin' with the best  
So I pass the test  
In any old badass mc contest

Rock, rock, rockin' with the best  
Gis is on the scratch  
Rockin' with the best  
So I pass the test  
In any old badass mc contest

E-boy the b-boy the one you can't avoid  
On the 10 o'clock news and on the tabloids  
Still rockin' that good old crunchy funk  
A with a hi-hat boogie and a bass that bump

And with a beat like this to make it all crisp  
We hit you with a style, you know you can't resist  
So get on the floor, come get some more  
We catch you on the go and I know that you know

On the wheels of steel my man D.J. Gis  
Baptizing the beat on a top of the list  
Breakin' on the curves, slidin' with the ride  
Blazin' that tune, aimin' up high

Now feel the flow surfen' through your bones  
Guarantee to give your groove more bounce to the ounce  
Now could it be the bass that we got you all amazed  
Or is it just fresh 'cause you're rockin' with the best

Rock, rock, rockin' with the best  
Rockin' with the best  
So I pass the test  
In any old badass mc contest

Rock, rock, rockin' with the best

Gis is on the scratch  
Rockin' with the best  
So I pass the test  
In any old badass mc contest

Jammin' to the feel now this track's for real  
You burn dem sneakers like a psycho bill  
Wicked on the cut so give your best shot  
Smooth with the lick just to move your butt

Kool like that so we make your hands clap  
Rollin' with the rhythm or you get your money back  
Cause if it ain't the funk you know it ain't the bomb  
Stuff we deliver can't do no harm

So mc's if ya feelin' me  
DJ's on the wheels of steel  
Rockin' crowds with the harmony  
Keepin' the vibe alive, well and free

Badd with the boogie 'cause we found the effect  
Hot boom bap guaranteed to get ya wrecked  
Filled with the goods so you get no rest  
Or could it be it's fresh 'cause ya rockin' with the best

Rock, rock, rockin' with the best  
Rockin' with the best  
So I pass the test  
In any old badass mc contest

Rock, rock, rockin' with the best  
Gis is on the scratch  
Rockin' with the best  
So I pass the test  
In any old badass mc contest

Phat bass  
Phat, phat, phat bass  
Phat bass  
Ba, ba, bass  
Phat, phat, phat bass  
Phat bass  
Phat, phat, phat bass

On the way to the end, we must comprehend  
Why we still represent to the full extend  
With the rhymes that I bust I make ya curious  
If ya really feel the lust or just delirious

'Cause when we push ruff you know it's pure cut  
Raw with the groove, easy to turn it up

We keep it sharp on the edge with a 'nuff niceness  
Or could it be it's fresh 'cause ya rockin' with the best

Rock, rock, rockin' with the best  
Rockin' with the best  
So I pass the test  
In any old badass mc contest

Rock, rock, rockin' with the best  
Gis is on the scratch  
Rockin' with the best  
So I pass the test  
In any old badass mc contest

Rock, rock, rockin' with the best  
Rockin' with the best  
So I pass the test  
In any old badass mc contest

Rock, rock, rockin' with the best  
Gis is on the scratch  
Rockin' with the best  
So I pass the test  
In any old badass mc contest
