Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move

Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move

Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move

Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move

That's how it goes, symbiose
For those who are down
'Nuff respect to the pioneers
Who brought us the sound

We still keep rocking on and on
To the break of day
Stay feeling good like you know you should
Let me hear you say

We came to rock the party
So come on everybody
Pull up to the bumper, baby
Groove with the bumps that make you crazy

This is how we do the do
Rocking just to make ya move
So pull up to the bumper, baby
Groove with the bumps that make you crazy

Fanatic, we're mad it
'Cos to have it that B-Boy style

Tremendous, eventious
You'll see us on a mission worldwide

Fanatic, we're mad it
'Cos to have it that B-Boy style
Tremendous, eventious
You'll see us on a mission worldwide

Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move

Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move

Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move

Rocking just to make ya move
Rocking just to make ya move
Rocking, rocking, rocking, rocking
Rocking, rocking, rocking

Crowd of people gemmin' and jam
Ready to get tha loose
Sound selector behind the set
Hit tha turbo boost

We want the action, satisfaction
Reached to the max
With funky breaks, boogie down grooves
Dudes for kangol hats

We came to rock the party
So come on everybody
Pull up to the bumper, baby
Groove with the bumps that make you crazy

This is how we do the do
Rocking just to make ya move
So pull up to the bumper, baby
Groove with the bumps that make you crazy

Fanatic, we're mad it
'Cos to have it, that B-Boy style
Tremendous, eventious

You'll see us on a mission worldwide

Fanatic, we're mad it
'Cos to have it, that B-Boy style
Tremendous, eventious
You'll see us on a mission worldwide

Make the move, make the move
Make the move, make the move
Make the move, make the move

Rocking, rocking, rocking, rocking
Rocking, rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move

Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move
Rocking just to make ya move

Rocking just to make ya move
Make ya move, make ya move
Make ya move, make ya move
Make ya move, make ya move
