Super Electric

Super Electric Sound

Super Electric

From the underground

Super Electric

Super electric sounds

Super Electric

Blasting through your ears

As we break it down to the nitty gritty groove

The bits and the beats an electrical bugaloo

Yes we be rocking, saluting old school

It never went away, just check out my moves

Access from the very best on the decks yet

The wonder boys gonna get you more erect

Access from the very best on the decks yet

The wonder boys gonna get you more erect

Super Electric Sound

Super Electric

From the underground

Super Electric

Super electric sounds

Super Electric

Blasting through your ears

We grew up from the sounds, our ghetto blaster was
huge

We bombed the underground, the city and the roofs

With the baddest mixtapes, you earned the ultimate

cool

Bam, DST, Mintronix, Crash Crew

Super electric
We break, it down

All those classic breaks are still used today
DJs spin the wheel go rock a party
Hype it up and vibe it up, stop hold it, play
Calling all the boogie freaks to come right this way
