So Iâ€™m giving what you want
But I canâ€™t get my hands on what youâ€™ve got
You big teaser, playing games
But I can play them too, Iâ€™m just the same

Youâ€™re moving on, I see it
But my eyes, they donâ€™t believe it
â€™Cause inside I feel there ainâ€™t nothing more real
soâ€¦

Iâ€™ve been waiting and I want you to know
Your love is irreplaceable inside of my emotions
But this falling is getting old
So bye-bye love
Itâ€™s a one way road

Knocked down and thrown back
Iâ€™m losing my mind and my plan of attack
So reload or explode
Itâ€™s getting pretty crazy â€™cause I want you to know

Iâ€™m moving on, youâ€™ll see it
Then your heart will stop receiving
All the things Iâ€™d do if we werenâ€™t through butâ€¦

Iâ€™ve been waiting and I want you to know
Your love is irreplaceable inside of my emotions
But this falling is getting old
So bye-bye love
Itâ€™s a one way road

So anyway
What you say
It doesnâ€™t mean much to me now
What I need
Is just to be
Everything I am without you
So I guess you lose

Iâ€™ve been waiting and I want you to know
Your love is irreplaceable inside of my emotions
But this falling is getting old

So bye-bye love
It's a one way road
It's a one way
It's a one way
It's a one way road
