She said that I was just a waste of time,
I don't know what I'm thinking 'bout.
I said I'm just taking time,
I don't know why I'm filled with doubt

But I can't move on,
I can't without her near
And I can't show her that all she needed,
all she wanted, was all right here

I'm so crazy cause I've gotta know,
How she could leave me so suddenly
but She's so lazy cause she never showed
The intentions of loving me

But I can't move on,
I can't without her near
And I can't show her that all she needed,
all she wanted, is all right here
In 6 months time,
I made her mine, and everything
So why am I nothing, nothing now
At least to her?

She said that I was just a waste of time,
I don't know what I'm thinking 'bout.
and maybe I'm just taking time,
I don't know why I'm filled with doubt

But I can't move on,
I can't without her near
And I can't show her that all she needed,
all she wanted, is all right here

In 6 months time,
I made her mine, and everything
So why am I nothing, nothing now
At least to her?

In 6 months time,
I made her mine, and everything
So why am I nothing,

Why am I nothing now?
