Here's another speech you wish I'd swallow  
Another cue for you to fold your ears  
Another train of thought too hard to follow  
Chugging along to the song that belongs to  
The shifting of gears  
Please forgive me for my distance  
The pain is the evident in my existence  
Please forgive me for my distance  
The shame is manifest in my resistance  
To your love, to your love, to your love  
I would've warned you, but really, what's the point?  
Caution could but rarely ever helps  
Don't be down when my demeanor tends to disappoint  
It's hard enough even trying to be civil to myself  
Please forgive me for my distance  
The pain is evident in my existence

Please forgive me for my distance  
The shame is manifest in my resistance  
to your love love, to your love, to your love  
My derring-do allows me to dance the rigadoon  
Around you  
But by the time I'm close to you, I lose  
My desideratum and now you, so  
Now you have it, so baby tell me what's the word?  
Am I your gal, or should I get out of town?  
I just need to be reassured  
Do you just deal it out, or can you deal with  
What I lay down?  
Please forgive me, for my distance  
The pain is evident in my existence  
Please forgive me for my distance  
The shame is manifest in my resistance  
To your love, to your love, to your love
