What makes me think that it'll all work out in the end
Afraid to feel bad, better off to try and pretend
I'm immortal, immune to all that is wrong
Just keep on wishing, crossing my fingers so long
Is this helping, I'm growing weaker each day
Can't stop whining, still afraid of what i might say
Or reactions, that control us one and all
It's mine, it's pure and, as decent as i can make myself
Inside, we all know, only the strong survive
Why don't you think about that
So now I'm bleeding on myself, yes once again
Seems I trusted another deceitful friend
My fault, should've known the deal
Keep your friends close, but your enemies closer for
real
Seems easy, but nothing could be so hard
Trying to guess life's dealing, what's the next card
I'm surely folding, i don't like this hand at all
(Chorus)
Keep those eyes wide open, here comes a blind side
Maybe things happen for a reason, and wherein lies the
answer
To overcome the grieving, of life's unruly lessons
I'm handed in succession, it builds my pain which
makes me strong
(Chorus)
Why don't you think about that
