So lonely we tried
To turn over our lives
As the pastors advised
That we keep leaving.

Somewhere inside
Is an answer that lies
Under numerous tries
To keep on breathing.

Now at the right time,
I'll meet you in line.
We'll collect by
Our confident lies
Leave me outside
We'll score the last time...

Waste Time til morning comes over midnight
Sunlight will wash away my pride....again...

Daily I lie
When I'm happy Im high
Youre your conterfit cry
Don't die on me...

Wait until life
Finds a place for your pride,
As my character hides
I'll trade anything.
Now at the right time,
I'll meet you in line
Will correct by
Our confident lies
Meet me outside
We'll score the last time

Waste Time til morning comes over midnight
Sunlight will wash away my pride

Into Hell,
I survived the pain but I don't mind
Lost in Hell...

Far into Hell
I survived the pain but I don't mind
Far into Hell,
I survived the pain but I don't mind
Arms through Hell.

Waste Time til morning comes over midnight
Sunlight will wash away my pride

Waste Time til morning comes over midnight
Sunlight will wash away my pride...
