It's too late last to tell  
Never cross that temporary line i will  
Just leave until i feel well  
Neighbor I'm opposing all you gods who will

you say faith im home my clothes were sold  
Make take this cross down i will fly i'll fly  
leave me to my knees and fucking lie i am gullible

it's too late come on i've been standing longer than i  
thought  
it's today come on tainted little lies i am feeling fine

I'm too late im last to tell let me take this temporay line  
i will  
just bleed until im overwhelmed  
trust me let me take another try i will  
you say faith im home my soul was sold  
maybe somewhere else aong the road i'll drive  
look me in the face but not my eyes I'll lie  
your thinking really fucked me you just watch I'll fail

cause i just needed time to show  
shy smile lie you just tell me where to go  
watch me i'll fail  
cause i just needed time to show  
shy smile lie stand there laughing i've been sold

i've been stuck a little i've been stuck to long  
i've been stuck a little  
i've been stuck a little i've been stuck to long  
i've been stuck a little

it's too late come on i've been standing longer than i  
thought  
it's today come on tainted little lies i am feeling fine

watch i'll fail  
cause i just needed time to show  
shy smile lie you just tell me where to go  
watch i'll fail

cause i just needed time to show  
shy smile lie stand there laughing i've been sold
