Running fast, running deep
No time to lose, no memories to keep
No future left to lose
Hearts entwined, rules are signed
No peace of mind, no tears left to weep
No feelings to confuse

Another stray affair
For those who care
To cry for
Like a cold night wind
With an open door
To run for

Oh suzanne
She's out to get that man
Oh suzanne
He ran before the end began

A cruel dream, where love has been
To stir emotion, barely ever seen
And rarely ever lost
Then she creeps, to others arms
Without a thought for hate
That comes between
Love's departing chance

Another stray affair
For those who care
To cry for
Like a cold night wind
With an open door
To run for

Oh suzanne
She's out to get that man
Oh suzanne
He ran before the end began

And her name was suzanne...

So when you hear her calling
In the dead of night, don't answer!
'Cause a broken heart
And a broken mind spell danger!

Oh suzanne
She's out to get that man
Oh suzanne
He ran before the end began
