I feel so lonely when I'm left at home
And I know you're having fun
With all the other boys in town
Why am I the only one?
I'm a first-class loser
That you don't wanna have around

I keep calling in the dead of night
Until you say you're gonna start treating me right

And well I know it sounds funny
But I don't want to be in love
Just want a piece of the action
And there's no amount of money
That could ever be too much
To get a piece of the action
(To get a piece of the action)
To get a piece of the action
(Just want a piece of the action)
To get a piece of the action

Little by little
I'm beginning to learn
You're a many man woman
And it's heavy on my mind
Any time you wanted love
You just snap your fingers
And it's not very hard to find

I don't wanna tie you down
But it'd be so good with you around

And well I know it sounds funny
But I don't want to be in love
Just want a piece of the action
And there's no amount of money
That could ever be too much
To get a piece of the action
(To get a piece of the action)
To get a piece of the action
(Just want a piece of the action)

To get a piece of the action

I don't want to be the life of the party
I just want a little excitement, playin' 'round...

And well I know it sounds funny
But I don't want to be in love
Just want a piece of the action
And there's no amount of money
That could ever be too much
To get a piece of the action
