This belly button dangle
Will probably be just one of those things
I won't be showing off too often at 65
This butterfly tattoo
Might be something I tell my kids not to do
Spring break shouldn't last the rest of your life

There were things I should not have done
But then again, well I sure had fun

Being free, being wild, being bulletproof
Back then we were rebels without a clue
Nothing in the world that we wouldn't do
Woah oh oh oh oh
Didn't give a damn what people say
We were doing it, doing it our way
I wish that we could always stay
19 and crazy

I fall in love with those guys
That keep my dad awake at night
Running his knife across a red stone
Maybe he hates their long hair
The tattoos or the chains that they all wear
Mostly he hates your black camera

We were young, so in love
And we still haven't grown up

Being free, being wild, being bulletproof
Back then we were rebels without a clue
Nothing in the world that we wouldn't do
Woah oh oh oh oh
Didn't give a damn what people say
We were doing it, doing it our way
I wish we could always stay
19 and crazy

The only things that I regret are things that we didn't
do
Those crazy days that I have left
Have led me here to you

Being free, being wild, being bulletproof
Right now we're rebels without a clue
Nothing in the world that we can't do
Woah oh oh oh oh
Don't give a damn what people say
Cause we're doing it, doing it our way
I know that we will always stay
19 and crazy

Promise me we will always stay
19 and crazy
