We got Tennessee moonshine, chicken and beer
The bands in the barn and the gangs all here
Just park your car down by the corn
If you're lookin' for a good time honk your horn

Bring the dog, call all your friends
Send a shout out to your next of kin
Tell 'em I'm comin' just stay in the yard
We're gettin' down on the farm

Come on everybody, gotta move your body
To the bomshel stomp, bomshel stomp
Kick up your boots and get back to your roots
Do the bomshel stomp, bomshel stomp

Stomp to the right, stomp to the left
Shake your booty step, step, step
Grab yourself a cute guy, honey don't be shy
Everybody romp to the bomshel stomp

There's no excuse for an empty cup
Keep 'em all full till the sun comes up
If you get to hot down by the fire
Take a roll in the hay if you so desire

There's a million stars in the sky tonight
An ol' full moon it's a beautiful sight
Shake, shake, shake it till the cows come home
Rockin' it all night long

Come on everybody, gotta move your body
Do the bomshel stomp, bomshel stomp
Kick up your boots and get back to your roots
Do the bomshel stomp, bomshel stomp

Stomp to the right, stomp to the left
Shake your booty step, step, step
Grab yourself a cute guy, honey don't be shy
Everybody romp to the bomshel stomp

The barn, the barn, the barn is on fire
Hey, y'all seriously the barn really is on fire

Come on everybody, gotta move your body
To the bomshel stomp, bomshel stomp
Kick up your boots and get back to your roots
Do the bomshel stomp, bomshel stomp

Come on everybody, gotta move your body
To the bomshel stomp, bomshel stomp
Kick up your boots and get back to your roots
At the bomshel stomp, bomshel stomp

Come on everybody, gotta move your body
Do the bomshel stomp, bomshel stomp
Kick up your boots and get back to your roots
At the bomshel stomp, bomshel stomp

You got to stomp to the right, stomp to the left
Shake your booty step, step, step
Grab yourself a cute guy, honey don't be shy
Everybody romp to the bomshel stomp, yeah
