Cheater, cheater, where'd you meet her
Down at Earnie's bar?
Did she smile and way twirl her hair and say
How cute your dimples are?

Did she use that line your place or mine
While you danced with her real slow?
Now cheater, cheater where'd you meet
That no good white trash ho?

Liar, liar, did you buy her whiskey all night long?
Did you hide your ring in the pocket of your jeans
Or did you just keep it on?

When the deed was done and you had your fun
Did you think I wouldn't know?
Now cheater, cheater where'd you meet
That no good white trash ho?

Now I'm not one to judge someone
That I ain't never met
But to lay your hands on a married mans
'Bout as low as a gal can get

Hey, I wish her well as she rots in hell
And you can tell her I said so
Cheater, cheater where'd you meet
That no good white trashed ho?

Loser, loser, hope you love her
'Cause your stuck with her now
Take your sorry butt, load up all your stuff
And get the hell out of my house

But I just wish you'd tell me
This one thing before you go
Now cheater, cheater where'd you meet
That no good white trash ho?

Now cheater, cheater where'd you meet
That low down up town, slept with every guy around
Pressed on eye lash, no good white trash ho?
