I don't know about you, y'all.  
But I'm ready for a good time.  
I don't know about you, y'all.  
But it's been such a long, long time.

I'm about to go crazy.  
I'm about to get wild.  
I'm about to go crazy.  
And I wanna take you along for the ride.

Hallelu y'all  
Well let's cut loose y'all.  
Tonight we're gonna throw down,  
Blow it out, live it up, get loud  
Kick it with the party crowd.  
Let me hear you shout.  
Hallelu y'all, hallelu y'all

I don't know about you y'all  
But I'm way too stressed  
And I may need to turn off  
My brain and just kick back

I wanna hit the next level  
Yeah I'm ready to rock  
Crank up the bass and the treble  
Keep it going, keep it going, keep it going, don't stop

Hallelu y'all  
Well let's cut loose y'all.  
Tonight we're gonna throw down,  
Blow it out, live it up, get loud  
Kick it with the party crowd.  
Let me hear you shout.  
Hallelu y'all, hallelu y'all

I wanna feel like I'm on top of the world  
I wanna feel like I own this town  
I wanna feel like I'm flyin', I'm flyin'  
I'm flyin' and I'm never gonna come down  
[x2]

Hallelu y'all  
Well let's cut loose y'all.  
Tonight we're gonna throw down,  
Blow it out, live it up, get loud  
Kick it with the party crowd.  
Let me hear you shout.  
Hallelu y'all,  
Well let's cut loose y'all.  
Tonight we're gonna throw down,  
Blow it out, live it up, get loud  
Kick it with the party crowd.  
Let me hear you shout.  
Hallelu y'all, hallelu y'all
