I'm up off the floor
Got my big girl boots on
Cause all of my teardrops have dried in salt
It's a cold, lonely place
Standing on my own feet
But, I'm coming closer to what I've been needing
Time to give change to (?)
And stop letting life pass me by

This time
I'm saying goodbye
This time
You won't find me crying
Finally leaving the wreckage behind
Cause I'm moving on with my life
This time

Leaving my demons inside these four walls
Built my own prison, its nobody's fault
I'm trusting my angels
To show me the truth
And search for forgiveness
And one day I'll thank you

This time
I'm saying goodbye
This time
You won't find me crying
Finally leaving the wreckage behind
Cause I'm moving on with my life
This time

Woah

Open my eyes to this beautiful day
I'm waking up to a brand new slate
Left all my bitterness
Left my regrets
But I'll keep these lessons I'll never forget

This time, no

Finally leaving the wreckage behind
Cause I'm moving on with my life
This time
Whoa, whoa

Oh
This time
Time
