Roberta Flack featuring Donny Hathaway

Seems weve weathered
Hard times weve been through
In silence Ive waited
I missed you (I missed you too)

Cause you, you and I back together again
Got the world in a spin
Cause you, you and I back together again
Got the world in a spin

Its all come together
Problems weve defeated
And Im in here out in hell
You take all that I got and you need it , baby

Cause you, you and I-I-I back together
Got the world in a spin
You, you and I-I-I back together
Got the world in a spin

Love will last forever (Forever)
We can make it real (Got to be real)
Say youll leave me never (No, no, never)
We can truly feel (What you feel)
I feel like you
Back together
Yeah, yeah, yeah

Younger and wiser
Time has shown the way
Weve come full circle
To stay (Baby)

Cause you, you and I-I-I back together again
Got the world in a spin
Cause you, you and I-I-I back together again
Got the world in a spin

Truth is the light
Its the joy that we both share
Make love day and night
Its so easy to do when you care

Love will last forever (Forever)
We can make it real (Got to be real)
Say youll leave me never (No, no, never)
We can truly feel (What you feel)
I feel like you
Back together

Doo doo doo doo doo
Doo doo doo doo yeah
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh
Back together again

Doo doo doo doo doo
Doo doo doo doo yeah
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh
Back together again

Doo doo doo doo doo
Doo doo doo doo yeah
Ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh, ooh
Back together again
