Sight Music (ASCAP)

Spoken Matthew 24 verse 30. "And then, the sign of the Son of Man will appear in the sky and then all the tribes of the earth will mourn. Why? For they will see the Son of Man coming on the clouds of the sky, with power and great glory." Every eye will see Him that is the scope of His coming. Every eye will see him, it is visible. Well I got news for you, when He comes in, you're going to know He's there; you're going to know He's around

[VERSE]

Picture Christ coming back like a thief in the night came
Riding a white horse with the force of a night train
Heaven's open behold and overthrowing your dice
game
With His pure and Holy vision eyes blazing just like
flames
And nothing can escape the penetration of His holy
gaze
His eyes in all places recognizing unholy ways on His
Head are many diadems or victory crowns
Who's the victor fit to be crowned in human history now
With a name written all over Him that nobody knows
Clothed in a robe soaked in the Blood of His foes
Symbolizing the battle won with Satan sin and the
grave
Death has no more strength
Heaven's armies arrayed in fine linen
White and pure following Him on them white horses
The word of God from his mouth is a sharp sword
Who can thwart Lord your divine report card
That reports the hearts of the nations have failed hard

[Spoken]

When Jesus came the first time, He was falsely
accused, He was reviled, He was rejected, He was
tortured, He was treated like a criminal - He was hung
up on a cross and killed. He's coming back to clear His
name. Look over at Matthew 26... and the high priest
said to Him; "I adjure you by the living God that you tell
us whether you are the Christ the son of God."

[VERSE]

In the scriptures we find facts
Pictures of divine acts
Prophesied God provides wisdom the mind lacks
At History's climax
More vivid than IMAX
The sky cracks with Jesus on some, I'm back
Now, just try to visualize the most glorious site ever to
hit physical eyes
Holy angels in Christ who gets minimalized in splendor
arrives and all the dead in Him will arise
Believers who are alive become a matured order
And caught up in the clouds like evaporated water
To be captivated by the Master's grace and aura
Before He activates the slaughter on the cats who hate
the Torah
The file wildin' out and doubt and wouldn't call on Him
And now crying out for the mountains to fall on 'em
The dead come out the grave at the holy judge they
look
They're broken up and shook while He opens up the
books
All sins will be weighed not ignored
And law breakers slayed (slain) by the sword by the
day of the Lord
While we gaze and admire His greatness, liars and
fakes who hate Messiah they expire in the fiery lake
Made for Satan and his angels sent to deceive
Multitudes who refuse to repent and believe
The elect have no hell to fear
Cause we're related to the judge like the Fresh Prince
of Bel-Air

[Spoken]

Listen, there is coming a time in God's providence and
God's plan when He is going to once and for all finally
do away with Satan and with the angels that followed
Satan in His rebellion those non-elect angels. Those
demons God will deal with them all at some point.

[VERSE]

In the scriptures we find facts

Christians in God's wrath
Two different paths that never cross the cross bought
the divine pass
The wicked had a mind lapse
Resisting to the time that the cataclysmic, catastrophic
judgment turned the skies black
No date setting clock watching or time seeking
Only the Father can bother with the divine secret
Not even Jesus is time peaking, but I'm speaking of His
humanity - every man and then every woman
Who lives in vanity will be saying at the second coming
Set the hands of time back, please God rewind that
The Bible says that I'm a sinner
Then I confess that I'm that
But God is beyond that
Weep and plead but His fury will be like the turbulent
seas
The elect will be gathered from all the four corners
Of the world boys and girls who thoroughly tried trying
to warn you
Of the cosmic disruption of the physical order
And the stars start fallen fire drying up the waters
But the cross was sufficient His death was efficient
To take a wicked bigot and flip it make him a Christian
Teach him the Great Commission
His mission is soul fishing
Before He's revealed from Heaven with mighty angels
And flaming fire asked the Messiah to change you
Eternal Hell fire ain't worth sinning
It's time to search your heart like the google search
engine

[HOOK]

When the Lord Jesus shall be revealed from Heaven
with His mighty angels in flaming fire; dealing our
retributions to those who do not know God and to those
who do not obey the Gospel of our Lord Jesus. Salvation
is obeying the Gospel, refusing to obey the Gospel
results in judgment. Obey the Gospel and these will pay
the penalty of eternal destruction, away from the
presence of the Lord and from the glory of His power.
When He comes to be glorified in His saints on that day
and to be marveled at among all those who have
believed - for our testimony to you was believe. So He's
going to come - He is going to judge the ungodly. And
the Bible says, those of us who are saved; we are
going to marvel; this is going to be an amazing thing
He could be coming back tonight...
