Let's go

If I could only feel for a day.
Just the way how I felt before.
Like the day I have met you.
And fell in love for evermore.

Now I came to know you so well.
Many things changed between us too.
I wanna feel this desire.
Just like I ever had with you.

Back back back to the roots.
Bringing back the things that we ever knew.
Back back back to the roots.
That's what I wanna do.
Going back to the roots with you.

I wanna do whatever we did.
Sweet talk or a simple kiss.
Going back where we started.
That's the only thing I wish.

Back back back to the roots.
Bringing back the things that we ever knew.
Back back back to the roots.
That's what I wanna do.
Going back to the roots with you.

Back back back to the roots.
Bringing back the things that we ever knew.
Back back back to the roots.
That's what I wanna do.
Going back to the roots with you.

Back back back to the roots.
Bringing back the things that we ever knew.
Back back back to the roots.
That's what I wanna do.
Going back to the roots with you.

With you
With you
With you
