Oh Lord Ive truly been captured, I cant believe that I ran  
away  
Was that the end of my chapter and I almost gave up  
on my faith  
But you didn't wait for that  
I was on the run for so long  
And you came for me  
Though I told you leave me alone  
You still stayed with me  
You showed things to me  
And now that im face to face with you, im so in love  
with you  
I'm captivated with you  
Now that im captured  
Now that im captured  
Now that im captured

Lord I was almost dead  
Plus I felt trapped  
Some nights I would ride, and just wanna snap  
But I was chasing sin  
Thought it would lift me up  
Seemed like my only hope to get me out my rush  
And part of me hated everything I was doing  
See I was terrified thought my life would be ruined  
But I was so addicted felt like I couldn't quit  
Jesus come take me now cause I am sick of this  
And yes he heard my prayer  
And ran to my aid  
Then the tears start to flow  
Cause I was so afraid  
To embrace change  
Help my unbelief  
And that's just what he did  
And gave my soul peace

Oh Lord Ive truly been captured, I cant believe that I ran  
away  
Was that the end of my chapter and I almost gave up  
on my faith  
But you didn't wait for that

I was on the run for so long  
And you came for me  
Though I told you leave me alone  
You still stayed with me  
You showed things to me  
And now that im face to face with you, im so in love  
with you  
I'm captivated with you  
Now that im captured  
Now that im captured  
Now that im captured

Father, for your own pleasure  
You sent us your son  
You gave us your spirit
