One day we'll be like You  
There is no one like You  
{2x}  
One day we'll be like You

Lord You're the only one who didn't sin only one who  
didn't bend  
With temptation pressing in first Adam gave in "After  
that Abraham  
Noah did Moses did and many men before them  
Yes even Israel after You split the Red Sea" After you  
rescued them  
From Egyptian tyranny  
Many kings and many prophets many priest just  
couldn't stop it  
Man is so sin prone yet can't atone for our own  
problems  
Yet in the wilderness the tempted tried to get You to  
fall  
Three times satan tried but got a word to resist them all  
You overthrew the devil's power the demonic put to  
shame  
Jesus is our high priest we've got peace cause he  
overcame  
Yes through Christ alone (2x)  
Anyone who's in the Son died to when they hung Him  
on  
Overcame when He overcame resurrected when He  
rose  
New creation new humanity our insanity was  
overthrown

Our Lord was tempted and tried  
See the serpent with angel eyes  
He saw the Christ in the wilderness  
He salivated with anxious eyes  
He came to Him with the same tricks  
Turn this stone into bread it's been awhile since You've  
eaten  
Has Your Father left You for dead?  
Is this the place the Spirit led You?

And all this time He hasn't fed You  
You're the messiah Son of God  
Yet somehow He neglects You  
He'll protect you  
Throw yourself from the pinnacle of the temple  
It's simple remember this is biblical

I came to tell you the devil lies
