Intro

"Ah how you doin' sir,
How you doin' ma'am?
Just want to talk to you for a minute.
Can I do that?
Ah, excuse me sir, excuse me ma'am.
Hello, how you durn, how your durn (2x),
Hello, how your peoples them durn,
Hello. Yeah, Yeah, Let's go. Not To left wit it, not to the
right wit it (4x),
Let's go. Now when the Lord tell me move I move,
Anything He want me to yeah I do,
But if ain't of the Lord then I won't budge,
That's 'cause I'm SPIRIT lead,
So I'll still show your love,
When HE tell me I move (15X)
(Talking about obedience (6x)).

Man, I hate my disobedience always second guessing
GOD,
When he tell me share my Faith,
Now I gotta question that,
Then I end up reasoning myself out of sayin' somethin',
Now the opportunity is gone cause I ran from it.
Now I'm praying for his Grace
That every time I would speak in the schools,
In the mall,
On the job,
On the streets.
This is how it's gotta be I'm talkin' about obedience,
Fearing GOD Not Man that is the ingredients.
Yes I know you can relate,
Some of y'all are shackin' up,
Time for you to move it out,
Git your clothes pack it up,
Yes I know you can relate,
Why are you standin' still?
When the Lord is called you to hit the foreign mission
field.
Yes I know it's hard though,
'Cause I understand it,

But JESUS said If You Love Me then you'll Keep My
Commandments.
Yes I know it's scary though,
'Cause I understand it. But JESUS said
If You Love Me then you'll Keep My Commandments.

CHORUS

Now when the Lord tell me move I move,
Anything He want me to yeah I do,
But if it ain't of the Lord then I won't budge,
That's 'cause I'm SPIRIT lead,
So I'll still show you love,
When HE tell me I move (15X)
(Talkin' about obedience (6x)).

Hey whatcha lookin' at? Get from in front of that
screen,
That is so obscene JESUS died for that very thing,
Hey time for you to move,
You need to go reconcile,
You've been havin' beef with your fam for a while now,
Go and confess your sin,
Go to the LORD in prayer,
go go, go go,
People everywhere should
Be steppin' in the way that is called obedience,
In this case it is good to be deviant,
Deviate from the world,
Run to CHRIST's Likeness,
Run, I say one to the one who is Righteous,
Get accountability go and read your Bible too
Get into the WORD of GOD,
And get the WORD of GOD in you.
Hey, here's an idea, why don't you go and forgive,
Why don't you go and repent,
Turn from you sin and then live.
Yes, I know it's hard though,
'Cause I understand it
But JESUS said If You Love Me then you'll Keep My
Commandments.

CHORUS

Do what you gotta do,
Go ahead and get it on,
Get a Church Membership,
Stop Church Hopping, Homes.
This ain't legalism FAM,
This is Christianity,
Go ahead Obey The WORD,
All else is Vanity.

You in that relationship, do you plan to marry her,
Love her like CHRIST loves the Church till you bury her?
You in that relationship, do you plan to marry him,
Submit to him like you are the church or just worry him?
If you're not then back it up, flee the temptation,
You can spend your singleness witnessing to the
nations.

You, don't you compromise,
Stand firm with it though.
Keep your eyes on the Christ even if you're feeling low.
Yes, I know it's hard though,
'Cause I understand it
But JESUS says If You Love Me then you'll Keep My
Commandments.
Yes, I know it's scary though,
'Cause I understand it But JESUS says
If You Love Me then you'll Keep My Commandments.

CHORUS
