[HOOK]

When you were on that cross  
I can't believe you died for me  
Oh Lord you gave me eyes to see  
When I was lost  
You showed me which way to go  
Oh Lord you even saved my soul  
When you were on that cross  
Repeat

[VERSE]

Yes, the Lord reigns robed in majesty  
The mountains melt like wax  
Before the Lord cause He's Holy and it has to be  
Nothing but pure reverence  
By His wisdom and understanding He stretched out the  
heavens  
Who can endure His presence?  
Let us make a joyful noise to the rock of our salvation  
We praise Him with all that we've got  
Even the seas roar  
Let the trees of the forest sing for joy as the rivers clap  
before the Lord  
In case you've ever wondered  
Why was it all done?  
What is it for?  
My Lord the stars moon and sun  
Even the skies testify to your greatness  
Revelation 4:11 praise for all your creation  
It's all for your glory  
Through your infinite power  
Your intricate skill is seen through a blossoming flower  
But yet Father you were pleased to bruise your own Son  
So that sinners could come and be redeemed  
Amen

[HOOK]

When you were on that cross  
I can't believe you died for me  
Oh Lord you gave me eyes to see  
When I was lost  
You showed me which way to go  
Oh Lord you even saved my soul  
When you were on that cross  
Repeat

[VERSE]

We spend a lifetime looking for satisfaction in wrong  
places  
But a blind man embraces whatever catch his fall  
But if he's spiritually blind and can't see that he's  
falling  
Then quite naturally this cat a keep bumping into walls  
But if a man who was also God offered him sight  
Said he could save him from his behavior and sorry  
plight  
And give him eyes to see the beauty of God the creator  
Would he take Him by faith and stop putting up a fight?  
Would he fall to the ground with his face to the  
pavement?  
Just to worship the man who was God making His  
payment  
For the sin he was born in that made him blind  
And the debt he accumulated for loving lying  
And bringing peace between the one in which he has  
beef  
And sins against every week when he's hugging the  
streets  
And bring him close by the power of the Holy Ghost  
The same God who crushed His son 2000 years ago

[HOOK]

When you were on that cross  
I can't believe you died for me  
Oh Lord you gave me eyes to see  
When I was lost  
You showed me which way to go  
Oh Lord you even saved my soul  
When you were on that cross  
Repeat

[VERSE]

ListenÂ...  
Every step Jesus took on the way to Golgotha  
Echoed throughout the universe - for you Father  
For the glory of God is of infinite worth

And his death'll justify many and bring new birth  
And every blow to His hands every thrust to his side  
Every heave on the cross is for the glory of God  
And now the murderer the prostitute and even the thug  
And average person can now be cleansed by blood?

[HOOK]

When you were on that cross  
I can't believe you died for me  
Oh Lord you gave me eyes to see  
When I was lost  
You showed me which way to go  
Oh Lord you even saved my soul  
When you were on that cross  
Repeat
