[Chorus:]

He got power man, You ain't never seen it like this  
He got power man, His words make the world exist  
He got power man, He can turn your situation 'round  
I've seen Him do it, do it, do it, do it, do it

[Verse 1:]

I've seen the Lord do a lot of things in my day  
Time after time, He blows my mind and He blows my  
faith  
I like to read, and see what He's done in the past  
He can do in the present, if His people would ask  
I've seen Him shut a whole strip down  
Full of strip clubs, now the dude's a Christian now  
Wow, now that's power like you've never seen  
How He dug in the man, and made his soul clean  
Oh, I've even seen Him heal a broken home  
Couple couldn't get along, now you be like, get a room  
Man, I'm so impressed with His slate  
I want to trust Him more and more, and strengthen my  
faith  
Yes, I hope you know it's true, all power's in God's  
hands  
What can't you make it through, the proof is the  
Godman  
Nobody took His life, but Jesus He laid it down  
And three days later, yes, He popped outta the ground

[Chorus:]

He got power man, You ain't never seen it like this  
He got power man, His words make the world exist  
He got power man, He can turn your situation 'round  
I've seen Him do it, do it, do it, do it, do it

[Verse 2:]

Now for the record, we're talking about Almighty God  
Please don't forget, what He did with Moses' rod  
Please don't forget, when He split the Red Sea  
What is a light bill, or a deadly disease  
What is a marriage problem, or one that's on the rocks  
To the One who speaks to storms, and storms stop

To the One who got Lazarus outta the grave,  
Not after one, but two, three, four days  
He is the Life, and the Resurrection  
You give Him your filth, and get His perfection  
I'm trying to get you to see, if He can save a soul  
Defeat Satan and sin, all else is micro  
And if He chooses to not grant a request  
It's not because He lacks power, but He's seeking our  
best  
It's not because He lacks strength, but He's seeking our  
good  
Now go and walk through that trial, like Jesus would

[Chorus:]

He got power man, You ain't never seen it like this  
He got power man, His words make the world exist  
He got power man, He can turn your situation 'round  
I've seen Him do it, do it, do it, do it

[Verse 3:]

I know some people in my hood, that's been struggling  
with some things  
They've been addicted for so long, they don't think that  
they can change  
Then I tell them about Jesus, and how He can set them  
free  
But they choose to stay away, man now that's just  
unbelief  
But He's worthy to be trusted, He's a keeper of His  
word  
But it's either you don't believe in Jesus, or that's just  
scared  
Now what you're scared of, you shouldn't be scared of  
your sin  
And not trusting in His name, that's the danger you're  
in  
But you ain't gotta stay that way, you can pray and  
confess  
Live a, life of repentance, receive Jesus' best  
Himself, His love, His grace, His power  
Give you strength in the darkest hour, so you won't be  
devoured  
Give you strength against temptation, because He's  
stronger than sin  
He's much stronger, than your corruption, erupting  
within  
He's much strong, than your addiction to sex or a drug  
To alcohol, or a club  
Homie, that's what He does

[Chorus:]

He got power man, You ain't never seen it like this  
He got power man, His words make the world exist  
He got power man, He can turn your situation 'round  
I've seen Him do it, do it, do it, do it, do it
