Man my heart is heavy, I feel a lot of pain  
It's been awhile now, since y'all done heard from Flame  
But God has been rocking your boy  
But at the same time, I see Satan's plot to destroy  
And I know I ain't the only one  
For God so loved the world that He gave His only Son  
And Satan tried to knock Him too  
But when they knocked the nails in His hands  
Colossians 2  
And 15; but yet I still see a common theme  
That's plaguing adults, and it's plaguing the teens  
When Jesus died, He did more than just give us some  
help  
So help me understand why we still living for self  
We live for our families, for our money and cars  
We live for our happiness, cause our pleasure is lord  
But ain't we seen yet, that that just doesn't work  
Living for self can only lead to dozens of hurts  
Please hear my heart, like a stethoscope  
We're taking steps towards death, but looking for hope  
Because we were captured by sin  
We were seized, now we need to be captured again  
(Uh) That's why we need to pick them Scriptures up  
Start praying and fasting, and ask the Father to forgive  
us of  
Forgive us for laziness, forgive us Lord for our pride  
Forgive us for worldliness, forgive us cleanse us inside  
Cleanse us Lord from telling lies, cleanse us from our  
selfishness  
Cleanse us from our fear of man; we need more than  
help from this  
We confess our lack of love, We confess selfish  
ambition  
We confess to You our lust, oh Lord bring us to  
repentance...

See we were captured by sin  
We were seized, now we need to be captured again  
And captured again. And captured again.  
And captured again. And captured again
