[HOOK]

Who can pluck us out His hands?  
Not even a professional plucker  
Who plucks for life to pluck the unpluckable  
Rooted and grounded  
Doctrinally sound when  
Checking my options  
It's obviously that God wins  
Repeat

[VERSE]

See what I'm about to mention some consider  
secondary  
But never weary guarantee it's very necessary  
When Jesus hit the wood and she'd His blood on the  
tree  
He did something good He was atoning for me  
And all believers we see Peter would call the elect  
And even Jesus said that His sheep could never be  
snatched  
Out of His hands nor the Father cause He's greater  
than  
All and they're one like a married woman and man  
So listen up (listen up) I'm bout to make it plain  
So you can hear me clearly and sincerely what I'm  
saying  
Through Jesus sacrifice the Father was satisfied (run it  
back)  
Through Jesus sacrifice the Father was satisfied (one  
more time)  
Through Jesus sacrifice the Father was satisfied  
Now He gives assurance to all those for whom He died  
Now you wonder why would I say something like that  
I'll be right back, I'll be Â– I'll be right back

[HOOK]

Who can pluck us out His hands?  
Not even a professional plucker  
Who plucks for life to pluck the unpluckable  
Rooted and grounded  
Doctrinally sound when  
Checking my options  
It's obviously that God wins

[VERSE]

I'm trying to tell you something you probably have  
never heard  
And if you have you probably perceive them as dirty  
words  
Words like election and predestination  
Can get you stoned and thrown out of a congregation  
But there in the Bible we gotta talk Â– talk about it (run  
it back)  
But there in the Bible we gotta talk Â– talk about it (one  
more time)  
But there in the Bible we gotta talk Â– talk about it  
We can still love each other and share our thoughts  
about it  
When Jesus died He drank the full cup of God's Wrath  
When He was crucified it was on our behalf  
For all those the Father chose in eternity past  
To be redeemed that simply means to be bought back  
So when Christ expired the debt and the price was paid  
For particular people on that night to be saved  
Now you wonder why would I say something like that?  
I'll be right back, I'll be Â– I'll be right back

[Spoken]

Do you enjoy fellowship with God?  
Are you sensitive to sin?  
Do you obey God's Word?  
Do you reject the evil world?  
Do you eagerly await Christ's return?  
Do you see a decrease pattern of sin in your life?  
Do you love other Christians?

Do you experience answered prayer?  
Do you discern between truth and error?  
Do you have the witness of the spirit?  
Are you rejected or persecuted for your Faith?  
Just a lil taste for your salvation man  
Read the whole book of 1 John  
Jesus Christ Â– Holla!

[VERSE]

Some people are truly tricked cause Satan's got 'em  
convinced  
That they are saved when everyday they straddle the  
fence  
But yet that's nonsense for them I'm truly afraid  
But those who mature can be assured that they're truly  
saved  
The Son who preexisted  
Took on human flesh  
Fulfilled the Father's Commission  
Lived a perfect life  
Took the wrath of God  
Spoke to the Father and said that it was finished  
I'm done!
