"Fight Test"

I thought I was smart - I thought I was right
I thought it better not to fight - I thought there was a
Virtue in always being cool - so when it came time to
Fight I thought I'll just step aside and that the time
would
Prove you wrong and that you would be the fool -

I don't know where the sun beams end and the star
Lights begins it's all a mystery

Oh to fight is to defend if it's not
Now than tell me when would be the time that you
would stand up
And be a man - for to lose I could accept but to
surrender
I just wept and regretted this moment - oh that I - I
Was the fool

I don't know where the sun beams end and the star
Lights begins it's all a mystery
And I don't know how a man decides what right for his
Own life - it's all a mystery

Cause I'm a man not a boy and there are things
You can't avoid you have to face them when you're not
prepared
To face them -
If I could I would but you're with him now it'd do no
good
I should have fought him but instead I let him - I let
Him take it -

I don't know where the sun beams end and the star
Lights begins it's all a mystery
And I don't know how a man decides what right for his
Own life - it's all a mystery
