Yeah yeah yeah yeah, yeah yeah yeah yeah [x10]

If you could blow up the world
With the flick of a switch
Would you do it?
(Yeah yeah yeah yeah, yeah yeah yeah yeah)
If you could make everybody poor
Just so you could be rich
Would you do it?
(Yeah yeah yeah yeah, yeah yeah yeah yeah)

If you could watch everybody work
While you just lay on your back
Would you do it?
(Yeah yeah yeah yeah, yeah yeah yeah yeah)
If you could take all the love
Without giving any back
Would you do it?
(Yeah yeah yeah yeah, yeah yeah yeah yeah)

And so we cannot know ourselves
Or what we'd really do

With all your power
With all your power
With all your power
What would you do?

With all your power
With all your power
With all your power
What would you do?

(No no no no, no no no no)

If you could make your own money
And then give it to everybody
Would you do it?
(No no no no, no no no no)
If you knew all the answers
And could give to the masses

Would you do it?
(No no no no, no no no no)

Are you crazy?
It's a very dangerous thing to do
Exactly what you want
Because you cannot know yourself,
Or what you'd really do

With all your power
With all your power
With all your power
What would you
Do do do do, do do do do [x6]
(Yeah yeah yeah yeah, yeah yeah yeah yeah) [x26]

With all your power
With all your power
With all your power
What would you do?

With all your power
With all your power
With all your power
What would you do?

With all your power
With all your power
With all your power
What would you do?

(I quit, you, you... I didn't make it all the way through
that.)
