When I walk with you, I feel weird.  
When I talk with you, I feel weird.  
When I'm standing here, I feel strange.  
When you're standing near, I feel strange.

All that I know  
Is my mind is blown.  
When I'm with you.

When I'm with you. x5  
When I'm...

When you're touching me, I feel great.  
When I'm touching you, hallucinate.  
When I'm standing here, I feel strange.  
When you're standing near, I feel strange.

All that I know  
Is my mind is blown.  
When I'm with you.

When I'm with you. x5  
When I'm...
