One day I'll have to fly
To the next great unknown
One day I'll be outta here
Back on my own
And when I come around for my goodbye

You'll be the scarecrow
You'll be the scarecrow
The one I adore
The one I'll carry with me
Forever more

You were the special one
Something we shared
The one that I'll miss the most
The one that cared
So when I come around for my goodbyes

You'll be the scarecrow
You'll be the scarecrow
The one I adore
The one I'll carry with me
Forever more

There may not be a day
For a duo reunion
There may not be a day
For us

One day you'll look and see
A purple sunset
And then you'll know that I'm ok
I'm doing my best
And when I come around for my goodbye

You'll be the scarecrow
You'll be the scarecrow
The one I adore
You'll be the scarecrow
The one I miss most
And when I come around for my goodbye
You'll be the scarecrow
