(Verse)

Did good, baby
So we can go
The time right now
Thing is

(Verse)

The sun shines now
But we're so alone
It's not, tis not
The light
That shines

(Verse)

The way, a way
My heart can beat
Be free and go
Our days
Are empty

(Verse)

Is the love the god
That we control?
To try to trust
The pain

(Verse)

The sun shines now
But we can't see
It's light lights now
We live
The same

(Chorus x2)

Be free, a way
But how can we
Find ours to hold?
A place

A place... a way
A way

A way
A way
A way
