One, two, three, four -
Do You Realize - that you have the most beautiful face
Do You Realize - we're floating in space -
Do You Realize - that happiness makes you cry
Do You Realize - that everyone you know someday will
die

And instead of saying all of your goodbyes - let them
know
You realize that life goes fast
It's hard to make the good things last
You realize the sun don'-go down
It's just an illusion caused by the world spinning round
Do You Realize - Oh - Oh - Oh
Do You Realize - that everyone you know
Someday will die -

And instead of saying all of your goodbyes - let them
know
You realize that life goes fast
It's hard to make the good things last
You realize the sun don'-go down
It's just an illusion caused by the world spinning round

Do You Realize - that you have the most beautiful face
Do You Realize
