I wish I could go back
Go back in time
I wish I could go back
Back in time
Go back in time

I would have warned you
Those people are evil
And it's hard to understand
I never understand

I wish I could go back
Go back in time
But no one ever really can
Go back in time
Go back in time

Oh, I would have shown you
Those people are evil
And they'll hurt you if they can
I never understand, understand
I never understand
