We hold our breath 'til the morning comes  
And at last the sun shines through  
But the night's so hard that it seems impossible  
But what else can we do?

Goin' on  
Goin' on

Listen, you'll hear it  
We're getting near it  
It's coming I can feel it  
'Cause I know [Incomprehensible]

Listen you'll hear it  
We're getting near it  
I know I really fear it  
But we pretend it's just a another day

Goin' on  
Goin' on  
Goin' on  
Goin' on

We tell ourselves it's all just normal  
Till the worst of it is gone  
And then you give up, and you give up  
And you just can't take it  
How we keep goin' on?

Goin' on  
Goin' on

Listen you'll hear it  
(Goin' away)  
We're getting near it  
(Goin' away)  
It's coming I can feel it  
(Goin' away)  
'Cause I know we're [Incomprehensible]

Listen you'll hear it  
(Another day)

We're getting near it  
(Another day)  
I know I really fear it  
(Another day)  
But I pretend it's just a another day++

Goin' on  
Goin' on  
Goin' on  
Goin' on  
We're goin' on
