I don't feel anything  
Isn't that amazing  
I don't want everything  
Just a little bit of nothing

But even if it feels strange  
It stands apart from nature  
Even if you don't know  
We're the circuit breaker

Why calm and collapsed  
Why calm and collapsed  
Why calm and collapsed  
We were calm and collapsed

Is it just me lyin' here  
Or is someone breathing  
Why do I live in fear  
When I'm not sure you're here

'Cause even if it feels strange  
It stands apart from nature  
Even if we don't know  
We're the circuit breaker

Why calm and collapsed  
Why calm and collapsed  
Why calm and collapsed  
We were calm and collapsed

So break me down  
Our love isn't cool  
So break me down  
And crucify me again

'Cause even if it feels strange  
It stands apart from nature  
Even if we don't know  
We're the circuit breaker

It's givin' up a feelin', I'm feelin' no existence

Why calm and collapsed  
Why calm and collapsed  
Why calm and collapsed  
We were calm and collapsed, collapsed, collapsed  
I'm calm and collapsed
