And the sun goes over me  
And the sun goes over me  
And the sun goes over me

And the sun goes over me  
And the sun goes over me  
And the sun goes over me, yeah

It'd be so kind to see your face in my door  
It wouldn't have to last very long  
It'd be so kind to see your face in my door  
I wouldn't have to ask anymore

And the sun goes over me  
It'd be so kind to see your face in my door  
It wouldn't have to last very long

It'd be so kind to see your face in my door  
'Cause I wouldn't have to ask anymore  
And the sun goes over me

And the sun goes over me  
It'd be so kind to see your face in my door  
It'd be so kind to see your face in my door  
It'd be so kind
