

Flaming Lips "Starting Over"

Our life together is so precious together,
We have grown - we have grown,
Although our love is still special,
Let's take our chance and fly away somewhere alone,

It's been so long since we took the time,
No-one's to blame,
I know time flies so quickly,
But when I see you darling,
It's like we both are falling in love again,
It'll be just like starting over - starting over,

Everyday we used to make it love,
Why can't we be making love nice and easy,
It's time to spread our wing's and fly,
Don't let another day go by my love,
It'll be just like starting over - starting over,

Why don't we take off alone,
Take a trip far, far away,
We'll be together on our own again,
Like we used to in the early days,
Well, well, well darling,

It's been so long since we took the time,
No-one's to blame,
I know time flies so quickly,
But when I see you darling,
It's like we both are falling in love again,
It'll be just like starting over - starting over,

Everyday we used to make it love,
Why can't we be making love nice and easy,
It's time to spread our wing's and fly,
Don't let another day go by my love,
It'll be just like starting over - starting over,

Our life together is so precious together,
We have grown - we have grown,
Although our love is still special,
Let's take our chance and fly away somewhere alone.
