(?)

You can't be troubled
Another day

Another customer paid for it
Swallow every [knife/name?] on this table
Another day, another year with you

(?)

Scarcity of lust
Honestness prevails
Guess we'll kill more presidents
Need their faces for
All the cash we'll get
For selling your family

Where are you now?

We've waited so long...
And our hearts will never be the same
Our hearts never will be the same!

(?)

It's a buyer's

Market when you sell your soul

(Sell your soul)

Scarcity of lust
Honestness prevails
Guess we'll kill more presidents
Need their faces for
All the cash we'll get
From selling your family

Where are you now?

We've waited so long...
And our hearts will never be the same
Our hearts never will be the same!

Hearts will never...

(Scarcity of lust)
(Honestness prevails)
(Guess we'll kill more presidents)

Need their faces for
All the cash we'll get
From selling your family

Where are you now?
We've waited so long
And our hearts will never be the same
Our hearts never will be the same!

The same...
The same!
