Seeing the unseeable
Filling down the void
We're not what we used to be
We're not really boys

Screaming till our lungs are full
Kicking down the teeth
We're not what we used to be
We're just paranoid

Unconsciously screamin'
And whispering
At everything she brings

Unconsciously screamin'
And whispering
At everything she brings

Unconsciously screamin'
And whispering at [Incomprehensible]
Unconsciously screamin'

Seeing the unseeable
Filling down the void
We're not what we used to be
We're not really boys

Unconsciously screamin'
And whispering
At everything she brings, brings, brings
Unconsciously screamin'
Unconsciously screamin', screamin', screamin'
