didn't mean to take you for granted
didn't mean to show i don't care
didn't mean to throw away
this once in a life time of chance
being with you

and i'll drive for two hours
to bring butterfingers
i don't mind the distance
this kismets a dance

this time i'll surrender my everything
forever life doesn't matter
just our thoughts together

pride no longer has room in me
on bended knees in public i cry
your name for everyone to know that
i love you, i love you please hear me now
and i'll drive for two hours
to bring butterfingers
i don't mind the distance
this kismets a dance

this time i'll surrender my everything
forever life doesn't matter
just our thoughts together

this time i'll surrender my everything
ooh hoo hoo

and i'll drive for two hours
to bring butterfingers
i don't mind the distance
this kismets a dance
